# MAIL PACKING GRACE M SERIES

### Fashionable, Practical and Beautiful Design

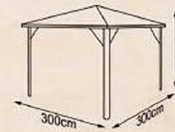

#### Features:

2 kinds of roof panels for choice: polycarbonate panel or galvanized steel panel. Polycarbonate panel allows light through but filters the UV rays. 6mm and 8mm polycarbonate panel are available. Galvanized steel panel is with wave patterns design, anti-rust. Sturdy and durable 1.2mm aluminum frames.

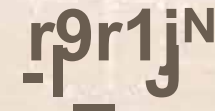

#### Highlights:

Waterproof curtains and mosquito nettings provide you and your family a private and cozy surrounding. Square aluminum tubes and supportive base enhance the stability. Aluminum foot pads with anchoring fittings are included.
